

JAWAHARLAL NEHRU PLANETARIUM

Bangalore Association for Science Education

Workshop on 'Astrophotography Image Processing'

Jawaharlal Nehru Planetarium is conducting an intensive one-day workshop on image processing, for the public with several processing examples. Examples are drawn from the thirteen Sky Photo Trips conducted by Shri Ajay Talwar, a renowned astrophotographer. Your own examples of successes and failures will also be taken up for discussion. The workshop is not a power point presentation, but involves working on actual images, data sets. The workshop will be conducted by Shri Ajay Talwar.
