*Ref. No. DP/EST/087/2019-20*

September 26, 2019

Sir/Madam:

We will be hosting a three-day science exhibition, '*Science in Action*' from *November 29 – December 1, 2019*. We invite you to send exhibits which are experiments/working models that illustrate scientific/mathematic principle(s). Registration forms may be downloaded from <http://www.taralaya.org/SIA-Regn.pdf>

*Please note:*

Last date for submission of write-ups : *November 03, 2019*  
*Intimation to students selected for orientation programme* : *November 08, 2019*

*With an intention to improve the quality of the exhibition, we have planned to hold an orientation programme on November 13<sup>th</sup> at 10 am at the Planetarium. Selected students MUST be present on this day and we will explore ways of improving the presentation of each experiment.*

*Kindly send a brief report of the exhibit/s that you intend to present on or before November 03, 2019. Please mention the mobile no. and email ID of coordinator in the form.* The exhibit must, as far as possible, be simple, have a strong visual appeal and make its scientific point very clear without the need for complicated explanation. Due weightage will be given to creativity involved.

We look forward to your participation in 'Science in Action'. Even **IF YOU ARE UNABLE TO PARTICIPATE, you may VISIT THE EXHIBITION ALONG WITH THE STUDENTS. ENTRY IS FREE.**

**SKY-THEATRE SHOWS AND EXHIBITION ARE OPEN EVERYDAY FROM NOVEMBER 29 TO DECEMBER 1, 2019 BETWEEN 10:30 AM AND 4:30 PM.**

Warm regards,

Yours faithfully,

(H R Madhusudan)  
Assistant Director
