

Jawaharlal Nehru Planetarium

Bangalore Association for Science Education

RESEARCH EDUCATION ADVANCEMENT PROGRAMME (REAP)

REAP (Physics)

In order to train students towards research careers, Bangalore Association for Science Education (BASE), in collaboration with four major research institutes, namely, International Centre for Theoretical Sciences (ICTS), Indian Institute of Astrophysics (IIA), Indian Institute of Science (IISc) and Raman Research Institute (RRI), is conducting the REAP (physics) with focus on physics and astrophysics.

REAP (Biology)

Also, in collaboration with IISc, BASE is conducting REAP (biology). This programme comprises lectures and interactive sessions with faculty mainly from IISc., covering the basics as well as the modern developments in biology.
